TiE SoCal Angels Fund 2020

TiE SoCal Angels and participating TiE members/partners have invested more than \$1 million since the inception of this new initiative. We are attracting entrepreneurs and startup founders. We are doing virtual pitching events every month, in which four startups present to our investors. After the presentation, we go for due diligence and then final negotiation for investment. If you are a startup and would like to pitch at our event then please upload your pitch deck here (<https://bit.ly/3eczlel>)

We are also inviting investment partners companies, accelerators, incubators, and individual investors to join hands with us and be part of the TiE ecosystem. For more information, please visit www.tiesocalangels.com

Prospective angel investors who are interested in being a part of TiE SoCal Angels can get in touch with Anil Ramineni (TiE SoCal Executive Director) or Shankar Ram (TiE SoCal Angels Chair), or fill out the member interest form.

We regularly organize pitching events for budding startups who are in need for funding, mentoring, or acceleration. The next TiESoCal Angels pitching event is scheduled on June 24, 2020.
