

NEWSLETTER

JUNE 15, 2022

Note From The President

Dear Friends,

Welcome to our June newsletter. Summer is around the corner and we are planning a slate full of events for upcoming weeks and months. Please make sure to keep checking our website socal.tie.org to stay abreast of all the developments and news about the TiE SoCal chapter.

With so much news and excitement about blockchain, crypto and NFTs, we are pleased to hold a hands on workshop this Saturday on the same. Come and learn from experts how blockchain is being used in real business applications and how you can be a part of this revolution. Also, bring your laptops to create your own wallets and mint your very first NFT. Please sign up [here](#).

We are kicking off the summer with a Charter Member Mixer Dinner in the beautiful Shade Hotel in Redondo Beach. This will be a fun evening with food, drinks, networking and spirited discussions. Please sign up [here](#).

TiE Women program led by our Charter Members Brenda McCabe and Monisha Coelho is excited about the cohort of women-led companies applying for the TiE Global competition. I encourage you all to ask such startups to apply through this [link](#).

To support women-founded startups, TiE SoCal is launching a women-focused angel fund. Our Charter Member and former TiE SoCal President Smita Bagla is leading that effort. Please submit your interest in the fund using this [link](#).

TiE SoCal has partnered with TiE Global for the TiE Global Angels Investor Summit on July 29th and 30th. It is slated to be SoCal's biggest Angel investing conference. For more information and registration, please visit TiEInvestorSummit.com. This two-day event with

investors and startups. More information is at www.tieinvestorsummit.com.

Our events calendar is getting full each day with Knowledge series, pitches, workshops, networking, social, and other fun events. Please bookmark our calendar page at the [Event Page](#) and also subscribe to the calendar to keep abreast of all the events.

This newsletter is packed with a lot of details about our events and initiatives. Please register using the links in each section. I hope to see you soon at one of our upcoming events.

Thank You

UPCOMING EVENTS

UPCOMING EVENTS IN JUNE

Date & Time: June 15, 2022 at 05.30 PM

TiE SoCal Angels team is excited to bring our popular Startup Pitching event online. We are going to have 4 awesome startups pitch their business plan, idea, product, and fund request in front of our panel of industry leaders and investors.

If you are interested in pitching your startup -

Please apply at the [TiE SoCal Angels website](#). When you go to the website, please review our philosophy, investment process, and partner list. We are still taking applications for our Virtual Startup Pitch.

Who should attend and see the pitches?

If you have an early-stage or startup company, are an aspiring entrepreneur, an angel investor or venture capitalist, a family office manager, a corporate VC, or a supporter of the entrepreneurial ecosystem, this is the event for you! As the event gets closer, we will share the name and information about the selected startups.

Blockchain has the potential to change the way businesses operate by creating new revenue models and it has the potential to give the power back into the hands of the consumer. With more and more people being worried about their privacy in the internet era and lack of trust in the ecosystem, blockchain will be the savior!

Blockchain, because of its properties like transparency, immutability, security, etc., has already started revolutionizing many industries, and the first one to see a major impact is Financial Services followed by Supply Chain.

It is time for all of us, irrespective of whether we are in business or technology to understand the power of this fascinating technology.

In this workshop, we have leading blockchain and NFT experts who would help you understand everything related to blockchain and help you get ready to mint your first NFT.

Chugh – With 5 US offices and half a dozen affiliates in Canada, India, Pakistan, and South America, we serve international corporate and individual clients on their most pressing challenges. We help companies navigate business and legal matters as they grow in their industries here and abroad. 15 legal practice areas and 200+ staff.

Stradling - Stradling is a leading business law firm with more than 110 lawyers providing experienced counsel in critical transactions and disputes from 12 offices across California, Colorado, Nevada, Texas and Washington.

Emirates – The Emirates story started in 1985 when we launched operations with just two aircraft. Today, we fly the world’s biggest fleets of Airbus A380s and Boeing 777s, offering our customers the comforts of the latest and most efficient wide-body aircraft in the skies. We inspire travelers around the world with our growing network of worldwide destinations, industry-leading inflight entertainment, regionally inspired cuisine, and world-class service.

Century 21 - Since 1971, the CENTURY 21® brand has been changing the real estate game by offering independent brokers, entrepreneurs and affiliated agents the ability to achieve extraordinary results in an increasingly competitive market. But a lot has changed since then. Many have copied the CENTURY 21 approach, and over time we have seen a ‘sea of sameness.’

CBCAL – CBC is one of the nation’s highest capitalized banks founded by entrepreneurial business owners and led by a talented team with an ownership mindset. CBC is a full-service, FDIC-insured, business bank headquartered in Irvine, California. The company is owned, built, and run by entrepreneurs for entrepreneurs.

Beyond Codes - Beyond Codes Inc. empowers multi-billion dollar IT, ITeS and SaaS-based product organizations to reach their customers across the globe through appointment settings, lead generation, Webinars, Golf events, and CxO round tables.

We cater to clients spread across 5 continents. With years of experience & expertise in Machine Learning, Digital Transformation, Analytics, RPA, Artificial Intelligence and more, we Power the Pipelines of our partners.

Startup Steroid – Integrated Global Deal Flow SaaS Platform created for empowering modern-day Startup Founders and Investors. We are simplifying investment and fundraising with our structured deal flow management system. The platform aspires to streamline the investment journey of Angel

Startups using our simple, secure & dependable platform.

[PNR Financial](#) – PNR Financial Services LLC is a Registered Investment Advisor, working with clients on Retirement Plan related matters on a fee-only basis. PNR assists business owners through the process of designing a retirement plan for their particular situation, whether it is a Defined Benefit or any type of Defined Contribution plan.
