Note From The President

Dear Friends,

Welcome to our May newsletter. Lots of exciting things are happening at TiE. We had our first women fast pitch event in conjunction with WFN and Expert Dojo which was a big hit. TiE Women Fund is being launched soon. Many other exciting events are being planned. Please make sure to keep checking our website social.tie.org to stay abreast of all the developments and news about the TiE SoCal chapter.

TiE Women program led by our Charter Members Brenda McCabe and Monisha Coelho is excited about the cohort of women-led companies applying for the TiE Global competition. I encourage you all to ask such startups to apply through [this link](#).

The last date for application is 31st May.

To support women-founded startups, TiE SoCal is launching a women-focused angel fund. Our Charter Member and former TiE SoCal President Smita Bagla is leading that effort. Please submit your interest in the fund using this [link](#).

TiE SoCal has partnered with TiE Global for the TiE Global Angels Investor Summit on July 29th and 30th. It is slated to be SoCal's biggest Angel investing conference. For more information and registration, please visit TiEInvestorSummit.com. This two-day event with Golf, networking, education, startup pitching, and investing is a can't miss event for all investors and startups.

Our events calendar is getting full each day with Knowledge series, pitches, workshops, networking, social, and other fun events. Please bookmark our calendar page at the [Event Page](#) and also subscribe to the calendar to keep abreast of all the events.

This newsletter is packed with a lot of details about our events and initiatives. Please register using the links in each section. I hope to see you soon at one of our upcoming events.

Thank You

UPCOMING EVENTS IN JUNE

The poster features the TiE SoCal and The Art of Living logos at the top. The text reads: "TiE SoCal and Art of Living Invites You to A SPECIAL GATHERING With GURUDEV SRI SRI RAVI SHANKAR Sunday, June 5th, 2022 4:30 PM to 6:00 PM (PST) 948 W Adams Blvd, Los Angeles, CA 90007". A circular portrait of Gurudev Sri Sri Ravi Shankar is on the right, and a photograph of a large audience in a grand hall is at the bottom.

TiE SoCal and Art of Living cordially invite you to spend an evening with Gurudev Sri Sri Ravi Shankar at the historical Dome, in downtown LA on **Sunday, June 5th at 4:30 PM**.

Gurudev Sri Sri Ravi Shankar has touched over half a billion people globally with his humanitarian, spiritual, and peace-making work. He will be visiting Los Angeles in May 2022 to sow seeds for the 4th World Culture Festival.

More about Gurudev Sri Sri Ravi Shankar [here](#)

In 2006, Gurudev Sri Sri Ravi Shankar had the vision to create a global cultural festival, an unparalleled platform to bring everyone together in celebration of our shared humanity and rich cultural diversity.

After taking place in India in 2006 and then at the Olympic Stadium in Germany in 2011, the 3rd, larger-than-life event had an attendance of over 3.75 million people from all around the world, with 36,603 artists performing on the world's largest stage of 7 acres. Please watch a [short video clip](#) (3:53 minutes) on the most recent festival held in 2016 in India:

the first to bring this vision to life.

Join us for this exclusive event and a rare opportunity to interact with Gurudev in a private setting.

Blockchain has the potential to change the way businesses operate by creating new revenue models and it has the potential to give the power back into the hands of the consumer. With more and more people being worried about their privacy in the internet era and lack of trust in the ecosystem, blockchain will be the savior!

Blockchain, because of its properties like transparency, immutability, security, etc., has already started revolutionizing many industries, and the first one to see a major impact is Financial Services followed by Supply Chain.

It is time for all of us, irrespective of whether we are in business or technology to understand the power of this fascinating technology.

In this workshop, we have leading blockchain and NFT experts who would help you understand everything related to blockchain and help you get ready to mint your first NFT.
