### Note From The President

Dear Friends,

Greetings. It has been a busy year so far and final quarter is shaping up to be a busy and exciting as well. We are getting ready for our annual event **TIEcon Southwest 2022** to be held on **Sunday November 13th** at

**Global summit** is scheduled for **December 12-14 in Hyderabad**, India and many charter members for SoCal are looking forward to attending this fabulous event. More details about the summit are at [www.tgs2022.org](http://www.tgs2022.org). TiE SoCal will be represented by [Jane Zhang, CEO & Founder of Remmie](#), in the TiE Global Women pitch competition finals in Hyderabad.

TiE SoCal started the **TiE University** program this fall with Charter Member Hemant Kurani. Over a dozen of our Charter Members participated in the Appathon on 8th and 9th October. TiE University program empowers college students with the tools to become entrepreneurs. TiE University is a program of TiE Global with the objective of fostering entrepreneurship among college/ university students and recent graduates. Please contact Hemant to get involved.

We are partnering with various organizations and there are multiple opportunities for our members to attend these events. Please scroll down and register. Please feel free to contact me or one of our EC team members if you would like to suggest any particular events or partnerships.

This newsletter is packed with a lot of details about our events and initiatives. Please register using the links in each section. Please keep yourself abreast of our events by subscribing to our [events calendar](#) on TiE SoCal website. I hope to see you soon at one of our upcoming events.

**Announcing TiE University Program**

## Empower **college** students with the tools to become **entrepreneurs**

Our chapter is launching TiE University program this fall with Charter Member Hemant Kurani leading this effort. TiE University program empowers college students with the tools to become entrepreneurs. TiE University is a program of TiE Global with the objective of fostering entrepreneurship among college/university students and recent graduates. It brings together college students, entrepreneurs, investors and institutions on one common platform and facilitates learning. It is a comprehensive ecosystem of stakeholders from the entrepreneurial ecosystem which works on enabling campus ideas to transform into viable businesses.

Please reach out to our **TiE University Programs Chair, Hemant Kurani (951 907-2575)** to participate in this exciting new program to help budding college entrepreneurs.
